

The Navenby Datestones

Created as part of an artist residency with Nicki Jarvis at Mrs Smith's Cottage 2019-2022.

The Navenby Datestones are part of the Navenby Heritage Trail. Made from high-fired ceramic, they commemorate key historic aspects of village history, from the Iron Age to 2020.

There are 15 Datestones in Navenby. See if you can find them all, using this downloadable map. If you are able to print it off you might like to write the dates you discover in the boxes on the map.

The Navenby Datestones were funded by Arts Council England, with additional support from Mrs Smith's Cottage and North Kesteven District Council. The National Lottery Heritage Fund supported the creation of the Navenby Heritage Trail.
